Attorney Docket #: 896

In re:

Applicant(s): JENAU, F., et al

Serial No.: 09/380,410

Filed:

STATUS REQUEST

September 20, 2005

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Inquiry is made as to the status of the application.

A decision on a Petition to Withdraw the Holding of Abandonment was rendered on June 9, 2005, some two years after the petition was originally filed.

The decision indicates that the Notice of Allowance will be remailed.

To date, applicant has not received any remailed Notice of Allowance.

Applicant wishes to note that in accordance with the provisions of the Patent Adjustment Act, there should be a very substantial extension of the life of the subject patent when it eventually issues, due to the long delays in the USPTO.

Respectfully submitted,

Michael J. Striker
